Linda Chandler Smith, MS
Spiritual Director &
Retreat Guide

My life's journey has been a beautiful spiritual study in the experience of life transition: Body, Mind, Heart, Spirit and Soul. I have experienced the healing nature of God's love, seen the release from fear into courage, and know the powerful gift of expressing creative life energies. I am indeed a woman in transition. My most recent grand adventure is moving to Olympia, WA from Palm Springs, CA.
